About Us

Michigan Recovery Services, Inc. is your professional repossession agency and online auction for both repossessions and consignment items. We pride ourselves in the ethical work we do. We keep our clients best interest in mind and maintain professionalism at all times.

Michigan Recovery Services, Inc. was established in 2007 under Michigan Recovery Services, LLC with a single truck and a handful of clients. We are family owned and operated. In three short years we quickly grew and found ourselves expanding to

meet lenders needs. In 2010 we formed Michigan Recovery Services, Inc. To better accommodate our lenders, we also developed BuyRepos.net (our on-line auction service). We are currently on a 10 acre location just off of I-75 and M-81 interchange with visibility from I-75 for the 74,000 vehicles who pass by daily to view our inventory. Midyear 2010 we moved into our new 7,500 square foot facility. This is now the home to our office, main storage lot for repossessions and the sales lot for our online auction.

We proudly cover the entire state of Michigan along with coordinating out-of-state repossessions for many lenders to simplify the process. We pride ourselves in being the best we can! In order to be our best we realize experience and communication is key. Our staff has over 49 years of repossession experience; 30 years of sales experience; 20 years of dealership accounting experience; 14 years of skip tracing experience; 18 years title work experience; 10 years marketing experience; 20 years customer service. Everyone on our staff brings something positive to the table and is willing to learn something new every day!

(continued on back)

We are in compliance with the CFPB in all areas. Michigan Recovery Services Inc. makes sure you are safely covered from initial order of repossession to the final sale. With an 8 million dollar insurance policy rest assure you will have no worries!
